

Healthy outcomes for a healthier community.

GOALS & RESULTS

CRITICAL NEED #1

PUBLIC TRANSPORTATION

3-YEAR GOAL

Investments in transportation systems will demonstrate that Georgetown residents with a range of mobility barriers have greater access to resources that improve their quality of life.

TOP RESULTS

- \$400,000 to **GoGeo** in FY2017-18 & FY2018-19 to support fixed-route & paratransit system
- 52,004 riders from August 2017-August 2019

CRITICAL NEED #2

COLLEGE READINESS & GREATER ECONOMIC SECURITY

3-YEAR GOAL

Improve access to **Post-Secondary Educational (PSE)** and liveable wage employment opportunities through the Empowering Georgetown through Education initiative, launched in 2018 in partnership with Goodwill of Central Texas and Literacy Council WILCO.

TOP RESULTS

- Over 30 clients enrolled in Goodwill case management who are working to and through a PSE credential and proceeding to earn higher wage jobs
- 21 students completed HVAC or Certified Nurse Assistant certification through Literacy Council classes in Georgetown; 16 employed in their field within the first 12 months of the program

CRITICAL NEED #3

HOUSING

3-YEAR GOAL

Support and advocacy for nonprofit organizations providing all levels of shelter/housing needed by our target population.

TOP RESULTS

- **The Caring Place:** 2019 launch of Stable Families Program, providing wraparound case management for families to become financially self-sufficient and able to remain in their homes
- **Hope Alliance:** \$200,000 in capacity building support over 2 years aimed at expanding emergency shelter for survivors of family violence
- **STARRY:** 7 foster families provided 891 nights of shelter to 8 children in 2017-18
- Affordable and transitional housing support for clients of Habitat for Humanity and Texas Baptist Children's Home. Funding to The Caring Place and The Salvation Army's coordinated financial assistance to families experiencing a housing crisis

CRITICAL NEED #4

DAYCARE & AFTER SCHOOL PROGRAMS

3-YEAR GOAL

Support affordable **Out-of-School Time (OST)** programs.

TOP RESULTS

- Operational funding to The Georgetown Project for OST programs and enrichments for elementary, middle school, and high school students
- Support to the Georgetown YMCA to offer recreational and STEM programs to children and youth in partnership with HeadStart, Getsemani Community Center, and Benold Middle School
- Multi-year funding to the Boys & Girls Club to grow its staff, volunteer, and fundraising capacity:
 - Core leadership team expanded to include Teen Director and Volunteer Coordinator
 - Volunteer program exponentially grew interest-based enrichments for Club members, e.g., dance, gardening, martial arts, choir, and much more

CRITICAL NEED #5

FOODS & NUTRITION ACCESS

3-YEAR GOAL

Define GHF's role in increasing access to healthy foods and nutrition education by:

- Researching and assessing existing resources in Georgetown.
- Advocacy for and potential investment in improving access to healthy foods and nutrition education with key stakeholders.

TOP RESULTS

- Mapped all resources for healthy food and nutrition education in Georgetown
- Exploring potential for optimal partnerships between providers and nonprofit host agencies, including a pilot between the Boys & Girls Club and Healthstart Foundation

CRITICAL NEED #6

MENTAL HEALTH SERVICES

3-YEAR GOAL

Increase availability and accessibility of quality mental health services in schools and community through:

- Commitment to **GISD Mental Health** partnership, established in 2016.
- Strengthen and scale mental and behavioral health resources for low-income families.

TOP RESULTS

- 2017-Present: Supported keynote speakers for annual Mental Health in Schools Conferences and additional educator training to improve management of in-school bullying
- Engaged in Resilient Wilco working group (GHF, Bluebonnet, Juvenile Services, Wilco Health District) with the goal to scale knowledge and training of ACES (Adverse Childhood Experiences) and resilience strategies across Williamson County

CRITICAL NEED #7

CULTURAL COMPETENCY

3-YEAR GOAL

Improve health & human services providers' cultural competencies by:

- Providing educational opportunities to nonprofit staff and volunteers
- Increasing the number of Spanish-speaking providers

TOP RESULTS

- Training on root causes of social & economic disparities presented to grant partners, nonprofits, government, and faith-based organizations. Totals since 2017:
 - Over 700 attended 30+ trainings, representing 50 organizations
 - Workshop on implicit bias piloted in 2018 and presented quarterly to greater community
- Established process for interns in partnership with **UT School of Social Work** and **Georgetown Public Library** to incentivize bilingual students to work in the Georgetown community

CRITICAL NEED #8

COMMUNITY VOICE

3-YEAR GOAL

Supporting **Southeast Georgetown Community Council's** (SEGCC) efforts to facilitate community problem solving by bridging the gaps between neighbors, city agencies, elected representatives and other groups.

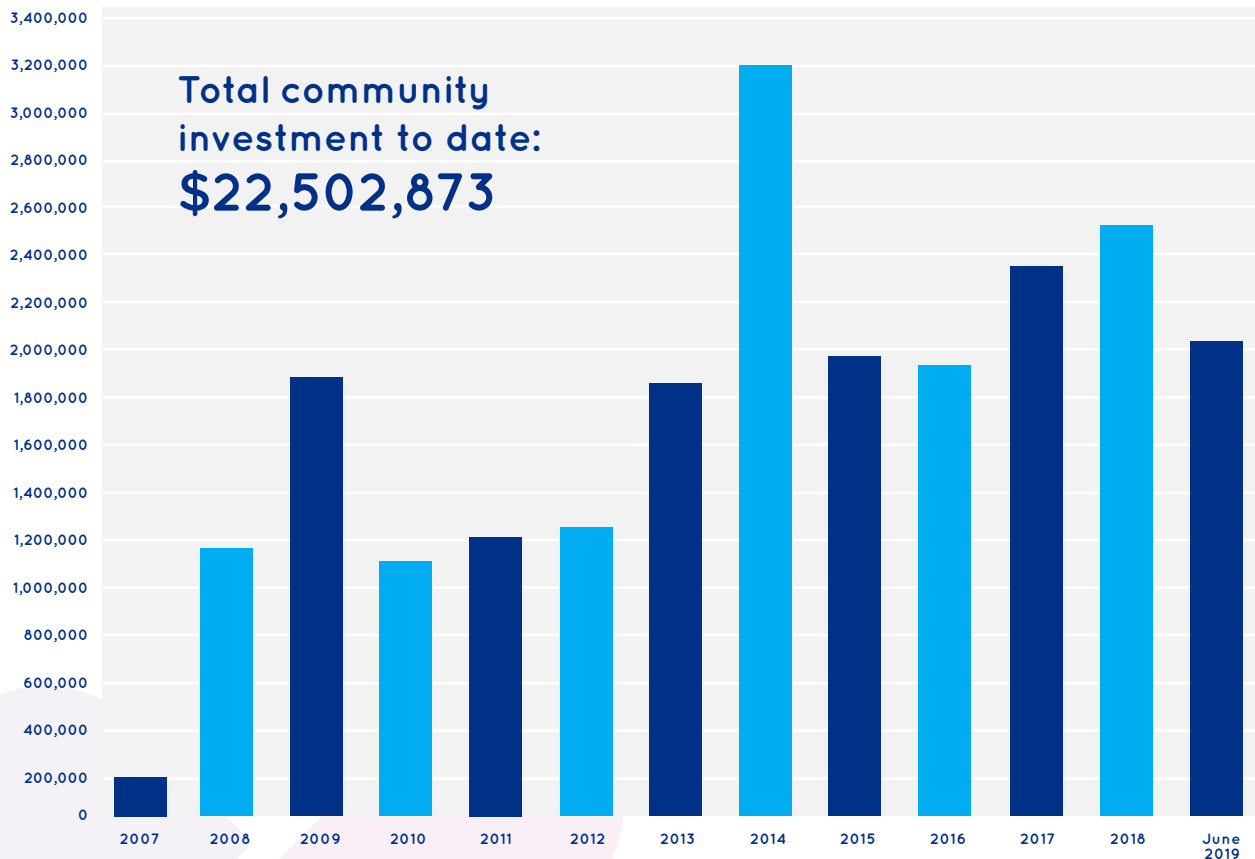

TOP RESULTS

- Open discussion forums with residents, local officials, and nonprofit organization representatives to share concerns and resources
- Partnerships with and support for neighborhoods and small, informal community organizations created to address specific issues and/or engage in collaborative projects
- Education and advocacy related to housing and transportation
